

# Production Print

## Making the Print Room Central to your Entire Organization

The Production Print/Imaging team at PERRY proTECH understands the key role that printers and multifunction systems play in the way your organization operates. From marketing communications, presentations, proposals, sales collateral to corporate documents, we strive to enhance your printed delivery. We'll help you provide the right tools for your production print environment to be efficient and cost effective. We are partnered with the leaders in office hardware solutions that allow us to detail the right fit for your company. Since our inception in 1965, we've been recognized as the regional leader in providing production and wide-format print solutions.

### Highly Certified People and Technologies

The Production Print/Imaging team at PERRY proTECH has received numerous awards that confirm our dedication to service excellence. We're proud to maintain certifications of the highest standards in print quality. These accreditations are a powerful symbol of our competence and proficiency.

### Superior Print-On-Demand Support

We listen and learn. We make decisions based solely on the best fit for your business. You get the technology, service and support that you need to provide spectacular color and monotone documents efficiently.

## PRODUCTION PRINT

# Our Technology Expertise is Your Competitive Advantage.

## Digital Color and Monochrome Presses

PERRY proTECH's Production Print/Imaging team will help you raise the bar in digital color quality and affordability. We recommend leading solutions to provide superior print-on-demand output for your busy production environment.

## Digital Envelope and Specialty Printers

Fast, short runs with exceptional color, consistent quality, media flexibility and cost efficiency. And, we have variable data printing solutions that will enhance your direct marketing efforts with customization options and personalization reliability.

## Variety of Finishing Options

From mailing machines to mail management tools, we've got your finishing needs covered. We can help you with UV coaters, perfect binders, folders, inserters, address printers, tab and wafer sealing. And, to make things run smoothly, we offer software solutions such as tracking, processing, accounting and sorting.

## Workflow and Web Submission

Fully control the flow of files in and out with web-based file submission, distribution and management. We offer fast and intuitive job order experiences while streamlining your workflow.

## High Volume and Extreme Stocks

We offer color and black and white product print, envelope and extreme heavy stock solutions so you'll have production-quality output with high speed equipment. Additionally, we can help with a wide range of options for document finishing and professional color management.

## Expert Staff G7 and Fiery Certified

We don't just sell you a printer, we'll help you make the right choices for your business needs. We're highly trained to understand color metrics and process control methodology. Our experience and knowledge will help you deliver professional, consistent images... every job, every day.

PERRY proTECH is a client-centered organization with a complete portfolio of hardware, software and specialized professional services. We make it our business to understand our client's needs and its direction, the complexities of their requirements, their processes and operating philosophy and their priorities. This way we can offer our clients business technology solutions that are tailor-made for their business. The Client is the driving force behind what we do at PERRY proTECH.

## This enables us to:

Understand the client by anticipating and responding to their needs

Provide value-added advice and guidance by analyzing client needs and resolving issues

Provide the broadest range and highest quality of products and services

Develop and maintain long-term relationships by actively listening to our clients in order to build trust and loyalty

Offer personal and professional service on everything we sell

Through teamwork, leverage our capabilities and resources to fully meet the needs of our clients
